Subpart 15.5—Preaward, Award, and Postaward Notifications, Protests, and Mistakes

15.501 Definition.

Day, as used in this subpart, has the meaning set forth at 33.101.

15.502 Applicability.

This subpart applies to competitive proposals, as described in 6.102(b), and a combination of competitive procedures, as described in 6.102(c). The procedures in 15.504, 15.506, 15.507, 15.508, and 15.509, with reasonable modification, should be followed for sole source acquisitions and acquisitions described in 6.102(d)(1) and (2).

15.503 Notifications to unsuccessful offerors.

(a) *Preaward notices*—(1) *Preaward notices of exclusion from competitive range*. The contracting officer shall notify offerors promptly in writing when their proposals are excluded from the competitive range or otherwise eliminated from the competition. The notice shall state the basis for the determination and that a proposal revision will not be considered.

(2) *Preaward notices for small business programs*. (i) In addition to the notice in paragraph (a)(1) of this section, the contracting officer shall notify each offeror in writing prior to award, upon completion of negotiations, determinations of responsibility, and, if necessary, the process in 19.304(d)—

(A) When using a small business set-aside (see subpart 19.5);

(B) When a small disadvantaged business concern receives a benefit based on its disadvantaged status (see sub-

48 CFR Ch. 1 (10–1–04 Edition)

part 19.11 and 19.1202) and is the apparently successful offeror;

(C) When using the HUBZone procedures in 19.1305 or 19.1307; or

(D) When using the service-disabled veteran-owned small business procedures in 19.1405.

(ii) The notice shall state—

(A) The name and address of the apparently successful offeror;

(B) That the Government will not consider subsequent revisions of the offeror's proposal; and

(C) That no response is required unless a basis exists to challenge the small business size status, disadvantaged status, HUBZone status, or service-disabled veteran-owned status of the apparently successful offeror.

(iii) The notice is not required when the contracting officer determines in writing that the urgency of the requirement necessitates award without delay or when the contract is entered into under the 8(a) program (see 19.805-2).

(b) *Postaward notices*. (1) Within 3 days after the date of contract award, the contracting officer shall provide written notification to each offeror whose proposal was in the competitive range but was not selected for award (10 U.S.C. 2305(b)(5) and 41 U.S.C. 253b(c)) or had not been previously notified under paragraph (a) of this section. The notice shall include—

(i) The number of offerors solicited;

(ii) The number of proposals received;

(iii) The name and address of each offeror receiving an award;

(iv) The items, quantities, and any stated unit prices of each award. If the number of items or other factors makes listing any stated unit prices impracticable at that time, only the total contract price need be furnished in the notice. However, the items, quantities, and any stated unit prices of each award shall be made publicly available, upon request; and

(v) In general terms, the reason(s) the offeror's proposal was not accepted, unless the price information in paragraph (b)(1)(iv) of this section readily reveals the reason. In no event shall an offeror's cost breakdown, profit, overhead rates, trade secrets, manufacturing processes and techniques, or

other confidential business information be disclosed to any other offeror.

(2) Upon request, the contracting officer shall furnish the information described in paragraph (b)(1) of this section to unsuccessful offerors in solicitations using simplified acquisition procedures in part 13.

(3) Upon request, the contracting officer shall provide the information in paragraph (b)(1) of this section to unsuccessful offerors that received a preaward notice of exclusion from the competitive range.

15.504 Award to successful offeror.

The contracting officer shall award a contract to the successful offeror by furnishing the executed contract or other notice of the award to that offeror.

(a) If the award document includes information that is different than the latest signed proposal, as amended by the offeror's written correspondence, both the offeror and the contracting officer shall sign the contract award.

(b) When an award is made to an offeror for less than all of the items that may be awarded and additional items are being withheld for subsequent award, each notice shall state that the Government may make subsequent awards on those additional items within the proposal acceptance period.

(c) If the Optional Form (OF) 307, Contract Award, Standard Form (SF) 26, Award/Contract, or SF 33, Solicitation, Offer and Award, is not used to award the contract, the first page of the award document shall contain the Government's acceptance statement from Block 15 of that form, exclusive of the Item 3 reference language, and shall contain the contracting officer's name, signature, and date. In addition, if the award document includes information that is different than the signed proposal, as amended by the offeror's written correspondence, the first page shall include the contractor's agreement statement from Block 14 of

the OF 307 and the signature of the contractor's authorized representative.

15.505 Preaward debriefing of offerors.

Offerors excluded from the competitive range or otherwise excluded from the competition before award may request a debriefing before award (10 U.S.C. 2305(b)(6)(A) and 41 U.S.C. 253b(f)-(h)).

(a)(1) The offeror may request a preaward debriefing by submitting a written request for debriefing to the contracting officer within 3 days after receipt of the notice of exclusion from the competition.

(2) At the offeror's request, this debriefing may be delayed until after award. If the debriefing is delayed until after award, it shall include all information normally provided in a postaward debriefing (see 15.506(d)). Debriefings delayed pursuant to this paragraph could affect the timeliness of any protest filed subsequent to the debriefing.

(3) If the offeror does not submit a timely request, the offeror need not be given either a preaward or a postaward debriefing. Offerors are entitled to no more than one debriefing for each proposal.

(b) The contracting officer shall make every effort to debrief the unsuccessful offeror as soon as practicable, but may refuse the request for a debriefing if, for compelling reasons, it is not in the best interests of the Government to conduct a debriefing at that time. The rationale for delaying the debriefing shall be documented in the contract file. If the contracting officer delays the debriefing, it shall be provided no later than the time postaward debriefings are provided under 15.506. In that event, the contracting officer shall include the information at 15.506(d) in the debriefing.

(c) Debriefings may be done orally, in writing, or by any other method acceptable to the contracting officer.

(d) The contracting officer should normally chair any debriefing session held. Individuals who conducted the evaluations shall provide support.

(e) At a minimum, preaward debriefings shall include—
